

Modele organizare continut

<http://www.vib.be>

The screenshot shows the VIB website homepage. At the top, there is a navigation menu with links: HOME, RESEARCH, TRAINING, CONFERENCES, BUSINESS OPPORTUNITIES, ABOUT VIB, and DOWNLOADS. A search bar is located in the top right corner. Below the navigation menu, there is a main content area with a description of VIB: "VIB is a life sciences research institute, based in Flanders, Belgium. We perform basic research with a strong focus on translating scientific results into pharmaceutical, agricultural and industrial applications." To the right of this text is a logo for "MY VIB". Below the main content area, there are several sections: "Research" with a list of departments and campuses; "Training" with a list of training programs; "Business opportunities" with a list of services; "Quick links" with a list of contact and strategy links; and "Jobs" with a list of job categories. At the bottom right, there are social media icons for Facebook, Twitter, and LinkedIn, along with "Follow" and "Share" buttons.

Pasul I

Reorganizarea informatiei site-ului nostru

Un Model bun e cel de sus

Modele organizare continut/design

<http://www.niva.no/en/index>

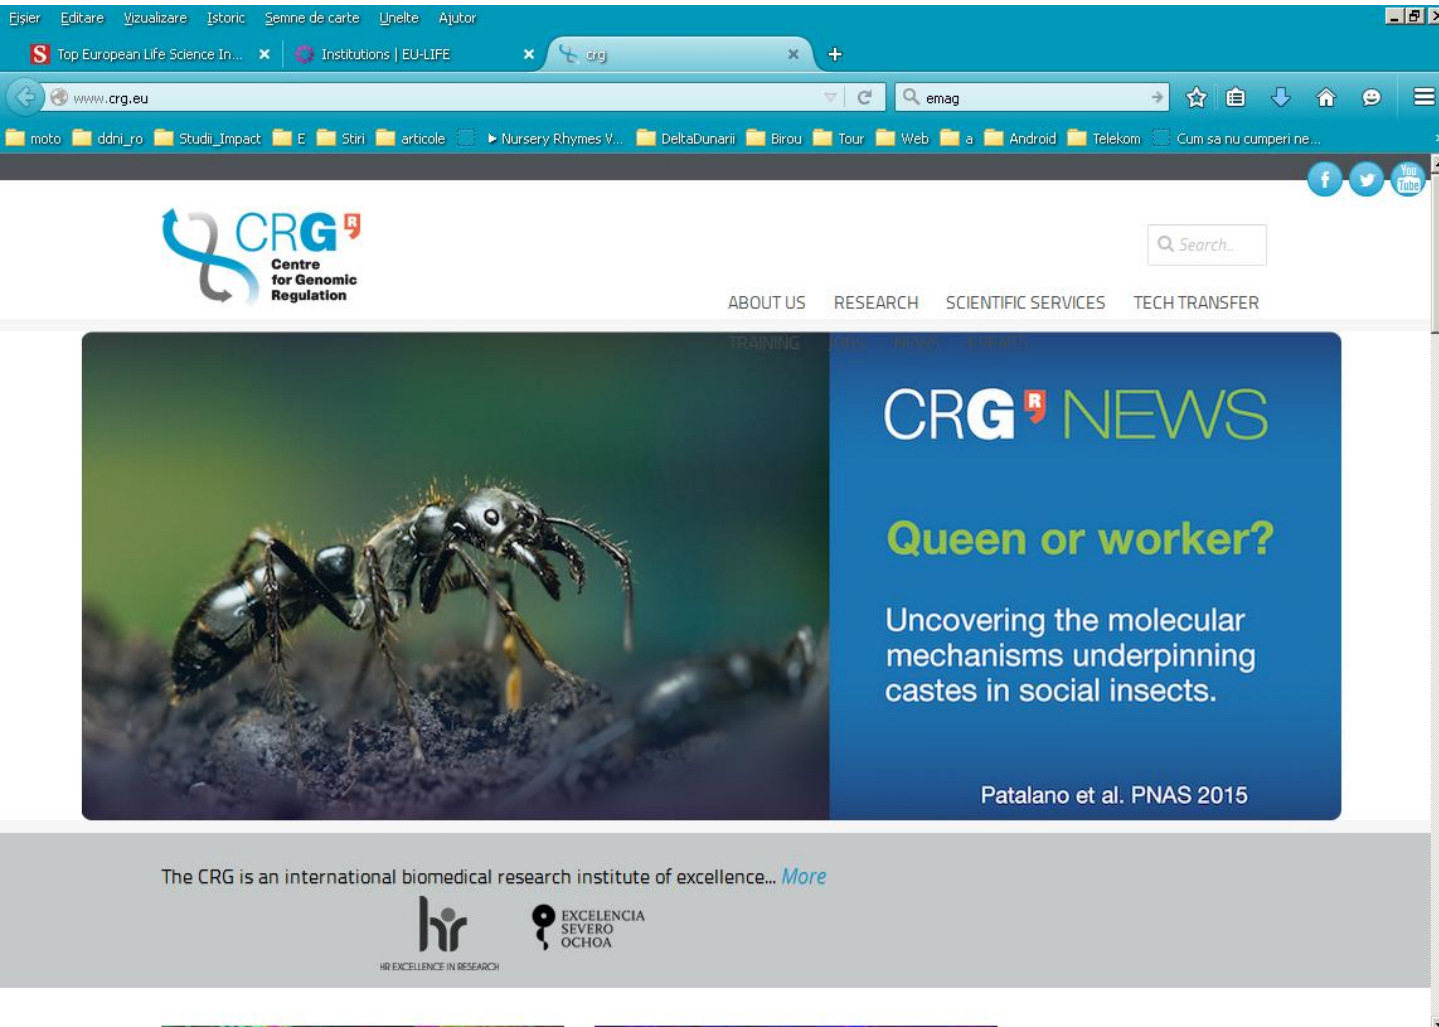

The screenshot shows the NIVA website homepage. At the top, there is a navigation bar with the NIVA logo and the text "Norsk institutt for vannforskning". To the right of the logo are links for "Norsk", "Sitemap", "Contrast", and "A A A". Below the navigation bar is a search bar with a "SEARCH" button. The main content area features a large image of a river with a castle in the background. Overlaid on this image is a blue box with the text "The Water Framework Directive and the Industry" and a sub-headline "The implementation of the Water Framework Directive in Norway poses new challenges and new possibilities for the industry." Below the main image is a white box with a "VACANT POSITION" header, the date "21.10.2015", and the title "Postdoc position (3 years) in Aquatic ecology". The text below the title reads: "The NRC-funded research project Pollution and ecosystem adaptation to changes in the environment (PEACE) seeks a postdoctoral researcher for a three years". To the right of this box is a blue box with the text "Norway's leading institute for basic and applied research on".

Pasul I

Reorganizarea informatiei site-ului nostru
Inca un Model bun - foarte concis

Modele organizare continut/design

<http://www.crg.eu>

The screenshot shows the CRG website homepage. At the top, there is a navigation menu with links for 'ABOUT US', 'RESEARCH', 'SCIENTIFIC SERVICES', and 'TECH TRANSFER'. Below the menu is a search bar. The main content area features a large image of ants on the left and a blue box on the right with the text 'CRG NEWS Queen or worker? Uncovering the molecular mechanisms underpinning castes in social insects. Patalano et al. PNAS 2015'. At the bottom of the page, there is a footer with the text 'The CRG is an international biomedical research institute of excellence... More' and logos for 'hr EXCELLENCE IN RESEARCH' and 'EXCELENCIA SEVERO OCHOA'.

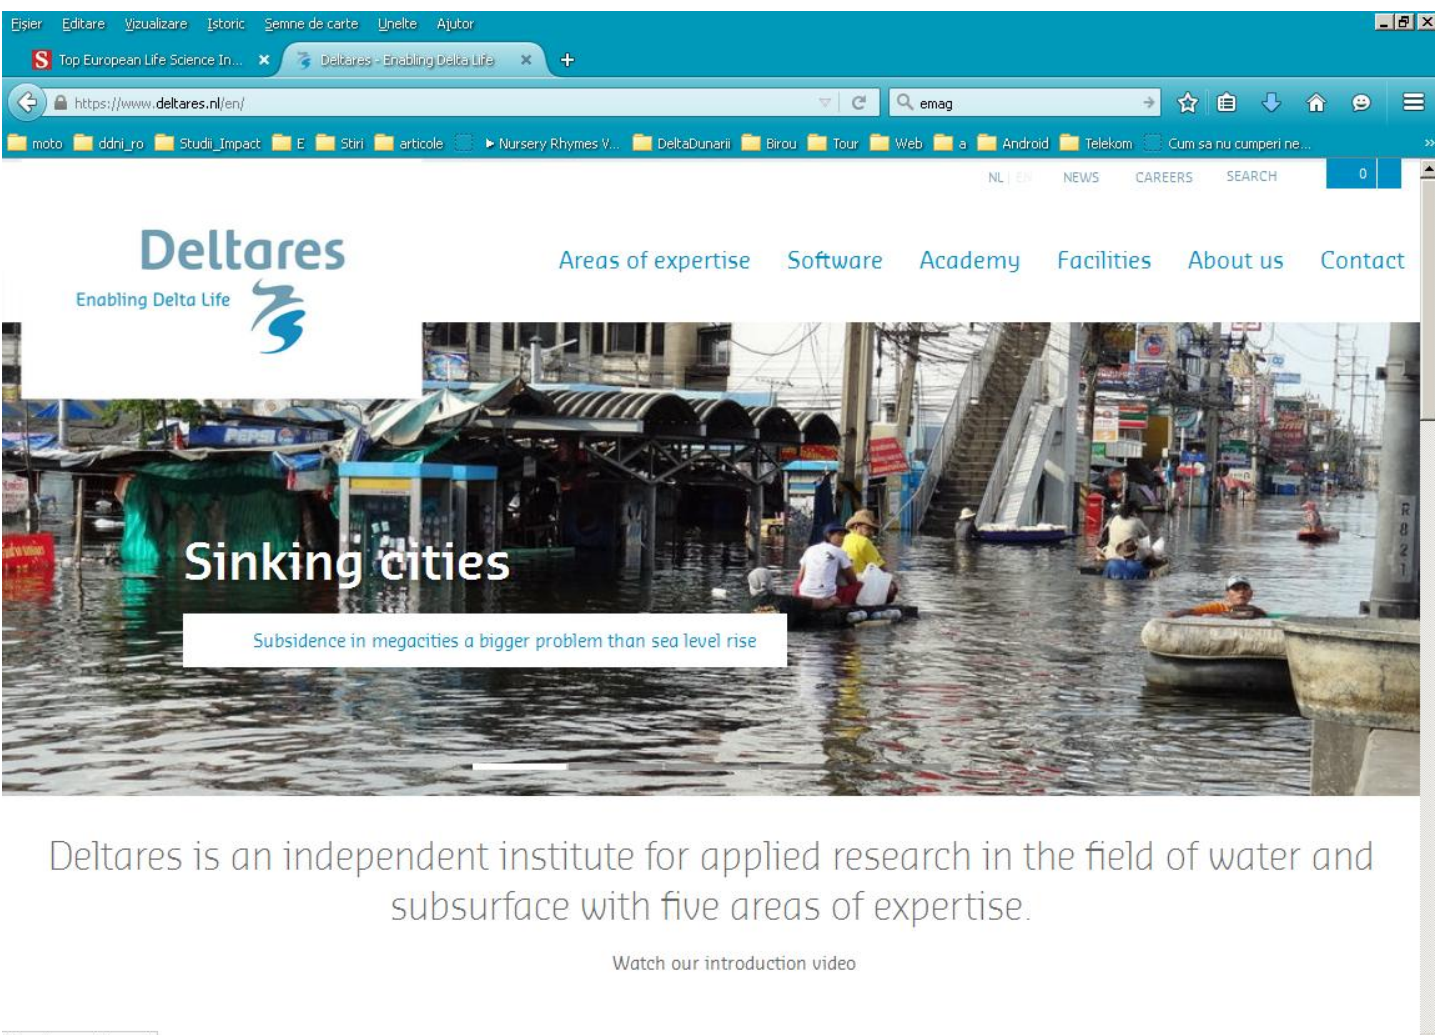

Pasul II

Alegerea unui design luminos, acaparant
Prezentarea punctelor forte, a realizarilor, premiilor,
a noutatilor pe prima pagina

MODEL 1 – un model bun de a promova activitatile

Modele organizare continut/design

Prezentarea punctelor forte, a realizarilor, premiilor,
a noutatilor pe prima pagina

MODEL 3 – un model bun de prima pagina

Modele organizare continut/design

<https://www.mdc-berlin.de/en/>

The screenshot displays the homepage of the Max Delbrück Center for Molecular Medicine (MDC) in Berlin. The website features a blue header with the MDC logo and the Helmholtz Association logo. A navigation menu includes sections like RESEARCH, TRAINING, EVENTS, NEWS, JOBS, ABOUT US, ECRC, BIMSB, BIH, and DZHK. The main content area is divided into several sections: a brief introduction to the center, a search bar, a 'Research Highlights' section with two articles, and a 'News' section with a list of recent publications. The 'Research Highlights' section includes an article titled 'Too much salt confuses the immune system' and another titled 'What a waste! The molecular causes of muscle wasting in heart failure'. The 'News' section lists several articles from 2015, such as 'Too much Salt in Food can push the Immune System out of Equilibrium' and 'Ten new Genetic Risk Loci for Eczema Discovered'.

Pasul III

Gasirea unei formule de imbinarea unui design (nu foarte complicat) si structurare a unui continut bine ales

Modelul de mai sus - imbina aceste lucruri, cu toate ca este un site al unei institutii secundare

Modele organizare continut/design

<https://www.nasa.gov/>

The screenshot displays the NASA website homepage with a navigation menu at the top including 'Missions', 'Galleries', 'NASA TV', 'Follow NASA', 'Downloads', 'About', and 'NASA Audiences'. Below the navigation is a secondary menu with categories like 'International Space Station', 'Journey to Mars', 'Earth', 'Technology', 'Aeronautics', 'Solar System and Beyond', 'Education', 'History', and 'Benefits to You'. The main content area features several featured articles and sections:

- Hurricanes:** A large image of a hurricane from space with the caption "NASA, NOAA Satellites Track Record-Breaking Patricia".
- International Space Station Footage of Hurricane Patricia:** A video player showing a view of the hurricane from the ISS.
- NASA Sees Patricia's Remnants Combine With Storm System Over Texas:** A smaller article snippet.
- NASA Events:** A list of upcoming events, including a teleconference on Oct. 26 and spacewalks on Oct. 28 and Nov. 6.
- The Real Martians:** An article snippet mentioning the movie "The Martian" and NASA's development of technologies for Mars.
- Image of the Day:** A section showing a satellite image of a hurricane.
- Tweets:** A social media feed showing a tweet from Scott Kelly (@StationCDR Kelly) about a night call from South Africa.

Pasul III

Gasirea unei formule de imbinarea unui design (nu foarte complicat) si structurare a unui continut bine ales

Pana si site-ul de la NASA e un model bun – cu toate ca nu avem atatea informatii cat exista acolo

Propunere de reorganizare informatie

<http://ddni.ro>

The screenshot shows the website of the Danube Delta National Institute (DDNI). The header features the institute's logo, name, and the Ministry of Environment. A navigation menu is located on the left side, with the word 'Meniu' prominently displayed. The main content area includes a 'Home' section with a welcome message and a list of information provided on the site.

Propunere design 1 – mai agresiv

<http://demo.smartaddons.com/#sj-the-daily>

The screenshot shows a Joomla! website template named 'THE DAILY'. The browser address bar displays 'demo.smartaddons.com/#sj-the-daily'. The website features a red header with the 'THE DAILY' logo and a search bar. Below the header is a navigation menu with links for 'EXPLORE', 'SHORTCODES', 'BONUS PAGES', 'K2', 'NEWS', and 'CONTACT US'. The main content area is a grid of six sports-related images with placeholder text. The images include a baseball player, a football player, a soccer ball, a tennis ball, a hockey player, and a cyclist. The text in the images is placeholder text like 'Hiougue bibendum itae luctus ex semper' and 'Gullamcorper velit ac curusp endisse'. The website also has a 'Join Template Club' button in the bottom right corner.

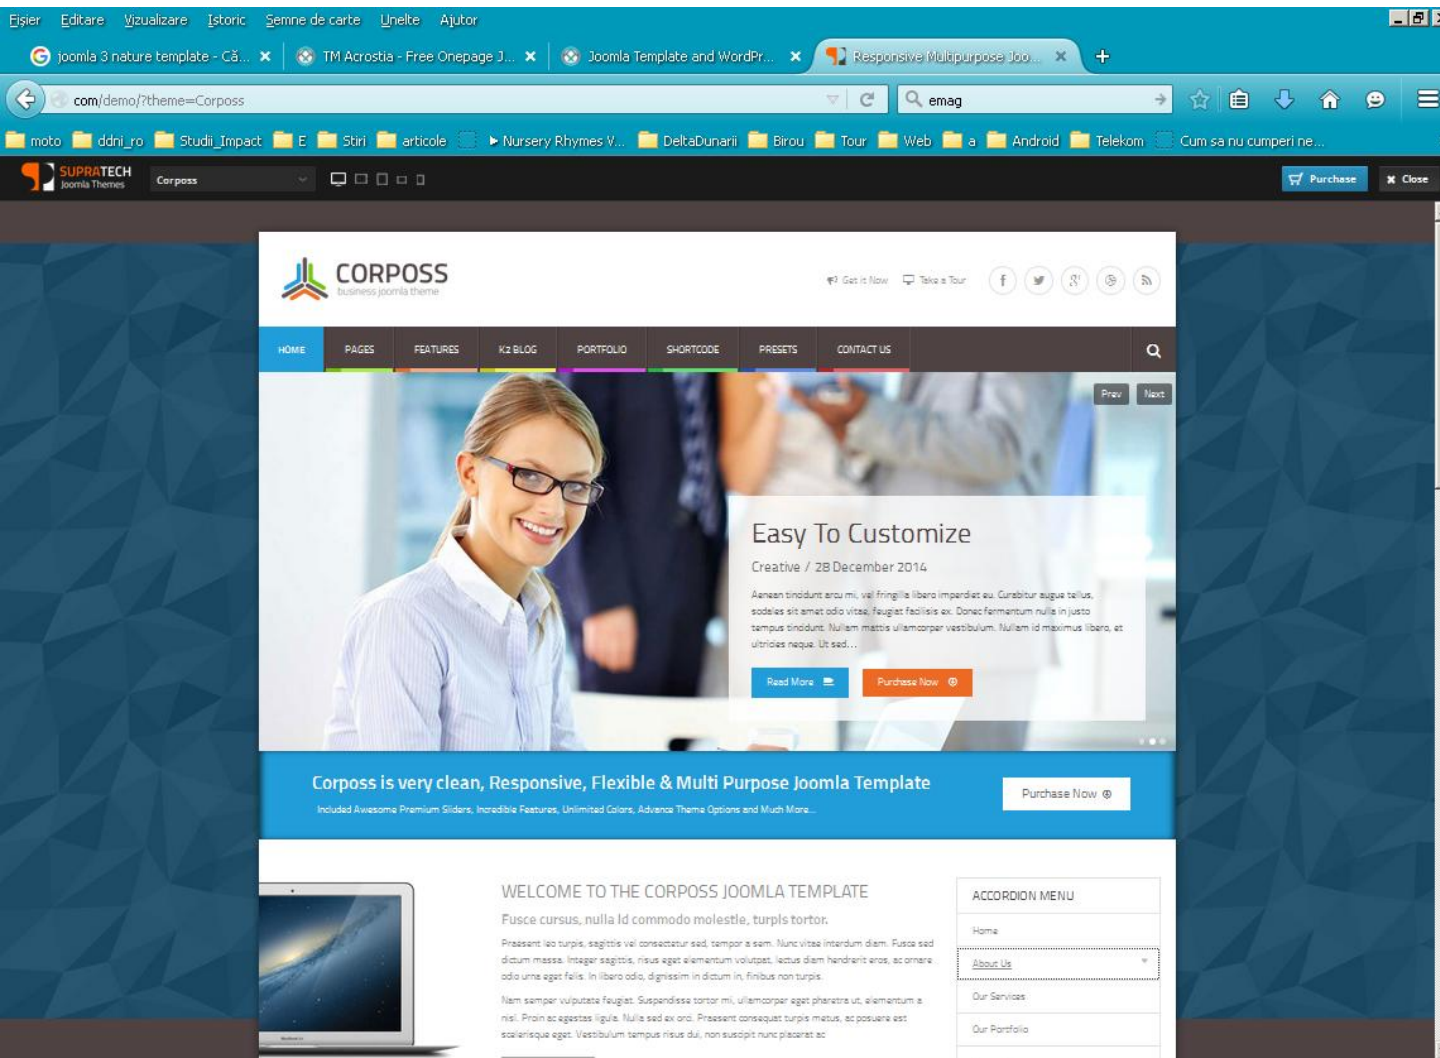

Avantaje:

- Foarte viu
- Multe elemente pe prima pagina
- Se poate plia pe multe culori
- Foarte vizibil - are variante de desktop, tableta, telefon
- Aliniat cu ultimele standarde in webdesign

A nu se lua in considerare continutul sport e doar de model
Practic e un design ptr site de stiri

Propunere design 2 – mai soft

<http://beetemplates.com/demo/?theme=Corposs>

Avantaje:

- Luminos si colorat
- Multe elemente pe prima pagina
- Se poate plia pe multe culori
- Compatibilitate - are variante de desktop, tableta, telefon
- Aliniat cu ultimele standarde in webdesign

A nu se lua in considerare continutul e doar de model

Practic e un design ptr site de corporatie
